

STREET DANCE – BREAKFAST CLUB
ASPLEY GUISE LOWER SCHOOL

Our hugely popular Street Dance Club will return this term on Thursday mornings before school. Our course is taught by our extremely talented head of Dance Carla. All our dance clubs so far have proved very popular as they are not only huge amounts of fun, but a great way to exercise and keep fit by dancing and learning new routines to all your favorite songs. This will be done through group routines, individual choreography, freestyle dance moves and games too. There will be a parent's stay and dance session on the final week of each half term.

The course will be every Thursday before school during term time from Thursday 9th Jan to Thursday 26th March from 8.00am to 8.50am. The cost of the course is £44.00

Spaces are allocated on a first reply first serve basis and our club is open to any children from year R to year 4. Please do not send your replies to the school office.
