

This overview aims to provide you with a summary of what, together, we hope to achieve this term.

You will receive tasks weekly that will help to guide you through this learning sequence which will build on the children's knowledge from week to week.

We recognise the difficulties that parents may face in supporting their child at home. In whatever way you can help, it really does make a difference!

Please contact us if you would like any support with any of the activities sent home. We are always happy to help.
